## PRESS RELEASE

### 7 days to go: the premiere of Solaris Urbino 9 LE electric

Bolechowo, 23.09.2021

**Only seven days remain until the world premiere of the latest model of the Solaris electric bus - Urbino 9 LE electric. We encourage you to mark the date September 30 in your calendars. We truly appreciate the opportunity to celebrate with you such a special moment for our company.**

The event, organised in the online formula, is scheduled between 12:00 and 01:00 p.m. In the first part, the company's Board Members and the invited guests will present the newest premiere vehicle Urbino 9 LE electric. In the second part of the meeting, we provide time for the Q&A session - we cordially invite you to connect with us live and actively participate by asking questions. . We will be happy to hear your thoughts on our new product and answer any questions you may have.

Attached you will find instructions with the details of participation in the premiere as well as information how to ask questions during the Q&A session.

**See you on Thursday, September 30, at 12:00, at: [www.solarisbus.com/premiera](http://www.solarisbus.com/premiera)**

 **Online premiere  
Urbino 9 LE electric**

We invite you to participate in the **Q&A session** during the **online premiere** of our new **Urbino 9 LE electric** bus.

**INFORMATION FOR JOURNALISTS**

- On the next page, you will find a **ZOOM login guide for those who wish to ask questions** at the press conference.
- Questions **can be asked after the conference part** – during Q&A session with the Management Board.
- We will connect with those who wish to ask questions via ZOOM and provide them with further instructions.
- Questions will appear in the conference streaming after a slight delay in transmission (approx. 30 seconds) – you will be able to hear the answer there.

**Online premiere**  
**30th September 2021, 12:00 noon**

### **About Solaris Bus & Coach sp. z o.o.**

*Solaris Bus & Coach sp. z o. o. is one of the leading European bus and trolleybus manufacturers. Benefiting from 25 years of experience and having manufactured over 20,000 vehicles, Solaris affects the quality of city transport in hundreds of cities across Europe every day. Thinking of the future, the firm is setting new standards by dynamically developing its products, in particular in the electromobility sector. Solaris electric buses, trolleybuses and hydrogen buses are cutting-edge solutions for zero emission public transport. Solaris products have been repeatedly awarded for quality and innovation. The Solaris Urbino 12 electric won the prestigious European "Bus of the Year 2017" competition. In September 2018 Solaris Bus & Coach sp. z o.o. joined CAF Group.*
