

PRESS RELEASE

The winter issue of Solaris Customer Magazine available now

Bolechowo, 04.01.2022

We invite you to read the latest issue of Solaris Magazine, available in Polish and English. It was prepared in a digital version, adapted to mobile devices, with an interactive table of contents and active links relating to the multimedia materials.

[In this edition of Solaris Magazine](#) we return to the two biggest events of the year: the premiere of our newest 9-meter battery bus and the #SolarisTalks conference, fully dedicated to electromobility. We look at the Venice electrification project and Madrid's green transformation. We also look back at this year's fair events: Transexpo in Kielce and Czechbus in Prague.

We wish you a pleasant and interesting reading!

About our company

Solaris Bus & Coach sp. z o.o. is one of the leading European bus and trolleybus manufacturers. Benefiting from 25 years of experience and having manufactured over 20,000 vehicles, Solaris affects the quality of city transport in hundreds of cities across Europe every day. Thinking of the future, the firm is setting new standards by dynamically developing its products, in particular in the electromobility sector. Solaris electric buses, trolleybuses and hydrogen buses are cutting-edge solutions for zero emission public transport. Solaris products have been repeatedly awarded for quality and innovation. The Solaris Urbino 12 electric won the prestigious European "Bus of the Year 2017" competition. In September 2018 Solaris Bus & Coach sp. z o.o. joined CAF Group.
