

PRESS RELEASE

Solaris Customer Magazine goes digital

Bolechowo, 05.09.2023

Solaris Customer Magazine is now available in a new digital version, rich in articles, photos, and videos from the company's life. The magazine, which has been published for more than 20 years, has undergone a real transformation: from print to digital. We cordially invite customers, journalists, co-workers and fans of our brand to visit magazine.solarisbus.com.

The Solaris Customer Magazine, a periodical published by the producer for more than 20 years, has adopted a modern, fresh, and eco-friendly formula. Through the website magazine.solarisbus.com, we will keep you up to date with the company's activities, the latest contract wins, industry events, product developments, and bus tests. The information conveyed through the magazine is plentiful with various forms, including infographics, short video materials, photos, articles, and interviews.

"The new magazine brings a different level of communication with the market. I am pleased that through this new platform, we will be able to be even closer to you and share our perspective in real-time. We are embarking on a new chapter, guided by the latest trends, a new format, and even more possibilities," said Javier Iriarte, CEO of Solaris Bus & Coach. We recommend watching [the short video](#) with the CEO's invitation to the new platform:

To stay up to date with company news, we encourage you to subscribe to the newsletter on [Solaris' official LinkedIn channel](#). This newsletter will be fully dedicated to the Solaris Customer Magazine.

Enjoy your reading, and see you online at magazine.solarisbus.com.

About our company

Solaris Bus & Coach sp. z o.o. is one of the leading European bus and trolleybus manufacturers. Benefiting from 27 years of experience and having manufactured over 23,000 vehicles, Solaris affects the quality of city transport in hundreds of cities across Europe every day. Thinking of the future, the firm is setting new standards by dynamically developing its products, in particular in the electromobility sector. Solaris electric buses, trolleybuses and hydrogen buses are cutting-edge solutions for zero emission public transport. Solaris products have been repeatedly awarded for quality and innovation. The Solaris Urbino 12 electric won the prestigious European "Bus of the Year 2017" competition. In September 2018 Solaris Bus & Coach sp. z o.o. joined CAF Group.
