

PRESS RELEASE

Luca Cordiviola to lead intercity bus division at Solaris

Bolechowo, 18.09.2023

Luca Cordiviola joined Solaris as the Interurban Platform Director in August. He will be responsible for expanding the company's offering in the field of zero-emission intercity buses. The development of this segment is part of Solaris' strategic initiative.

Expanding the European presence in zero-emission intercity buses is one of Solaris Bus & Coach's strategic plans for the coming years. The team responsible for this area will be led by Luca Cordiviola, who joined the company in August as the Interurban Platform Director.

"We are delighted to welcome Luca to the team. His knowledge and experience will provide a solid foundation for the Interurban sector within our company. I am convinced that the strength of Luca's experience and that of our teams, as well as Solaris' innovation potential, will enable us to establish a strong market position in the field of zero-emission intercity vehicles. I wish him every success and good luck in his everyday actions," said Javier Iriarte, CEO of Solaris Bus & Coach.

Luca Cordiviola brings 30 years of experience in the automotive industry to Solaris. He has worked in companies such as Iveco, Irisbus, and IIA Bredamenarini, where he held key executive positions in product strategy and business management. He also brings extensive international experience gained in various countries in Europe and Asia.
